

For Immediate Release

1n10 HOPEful

[June 1, 2006 – PHOENIX]

1n10, the Valley's only youth services organization serving lesbian, gay, bisexual, transgender, queer and questioning youth and their straight allies on a weekly drop-in basis, has found a home with the Community Church of Hope. 1n10 is proud to announce a permanent office space at The Community Church of Hope, located at 4121 N. 7th Avenue. The youth group already conducts weekly meetings at the Church and the much needed office space will allow the organization to provide more programming to youth ages 14-22.

Church administrator Carol Dorman appreciates, "...the energy that the youth of 1n10 bring to the church and we believe the dedicated volunteers of 1n10 serve a vital support for the GLBT youth in the city."

Offering affordable meeting space to groups in the LGBT community that may not have the resources for their own space is a natural extension of the church's mission. All at 1n10 are grateful for the caring and safe community that CCH provides LGBT youth.

If you are interested in donating office furniture, technology, or items for the youth video/book library, please contact 1n10 directly at 602-475-7456 or by email at coordinator@1n10.org. 1n10 office hours will vary and appointments or other inquiries should be made directly through Beck, the 1n10 Coordinator.

Contact: For more information, please contact 1n10 at 602-475-7456 or coordinator@1n10.org
