## **Youth agency hires Program Coordinator**

[February 8, 2006 – PHOENIX] 1N10, a non-profit serving gay, lesbian, bisexual, transgender (GLBT) youth and their allies, has hired a fulltime Program Coordinator for the agency's youth service program. This is the first full-time coordinator in the past five years for the organization.

A. Beck has worked with GLBT youth since 2000. She currently serves as the Director of the Gay Lesbian Straight Education Network's Youth Theater.

"Beck will be a valuable asset to 1N10 and its programming. She is creative and has the ability to motivate youth into recognizing all the positive options and possibilities they have," says 1N10 Co-Chair, Toby Urvater.

Besides B.A.'s in English and Theater, Beck will obtain a M.F.A. in Theater for Youth as well as a graduate certificate in non-profit management from Arizona State University in May.

"I have always loved working with youth. I have a strong passion to work with this population and see them grow into happy and proactive young adults," stated Beck.
